ADDITIONAL INFORMATION REGARDING SUBCONTRACTING GOALS

SeaPort-e subcontracting goals are based on obligated dollars. Using an example of \$1,000,000 as the total obligated value of your efforts under the SeaPort-e vehicle, a minimum of \$200,000 (20%) would be required to be subcontracted to Small Business.

Minimum Small Business Subcontracting Participation percentages and the accompanying dollar values based on \$1M total obligated value would break out as follows:

Small Business Overall 20% - \$200,000

Small Disadvantaged Business 5% - \$50,000

Women-Owned Small Business 5% - \$50,000

HUBZone Business 3% - \$30,000

Service Disabled Veteran-Owned Small Business 1.5% - \$15,000

Please note that these are minimum percentages required in order to achieve a 'satisfactory' rating. Any proposed percentage goals less than the minimum goals specified in the solicitation (Page 89), or proposed goals based on percentages other than OBLIGATED dollars above will be considered unacceptable.
